

WANT TO BE A DOCTOR?

Secure your place at Medical school

Determined to become a doctor? Not secured a place at medical school this year? Don't worry - exciting opportunities await outside of the UK.

Here at Medical Doorway we work with respected medical schools across Europe to provide UK students with the chance to pursue their career in medicine they might otherwise have given up on. The programmes are delivered in English and enable you apply to gain a license to practise medicine in the UK.

We personally visit all of the universities we work with and would only advise on universities we would be happy to attend ourselves.

We are international education specialists and have established links and partnerships with universities across the world. Your career in medicine is not out of reach with Medical Doorway.
